Letter from the Collector of Bellary, No. 2990/47-H.1
dated 12-11-1947.

The Range Officer, Chittoor has sent a bill towards survey and demarcation charges of the Bellary town survey amounting to Rs. 8870-2-10. Before commencing the collection work, 8813 notices under Section 8 of the S & B. Act have to be served on the property holders from whom the amount has to be collected. The service of 8813 notices, collection of Rs. 8870-2-10 and maintenance of regular accounts involve much work. The regular staff cannot cope with the additional work. A special staff consisting of one Revenue Inspector, one lower division clerk, and one peon is necessary for a period of six months. Therefore, I request that sanction may be accorded for the appointment of the special staff.

I submit that the proposal made by the Collector is the most conducive to the speedy service of the notices and the collection of the survey charges, and the final validation of the survey. The estimate of the staff is adequate, but not excessive.

Ref:- Board's Refce. No. 4304/47 dated 5-1-48.

The service of 8813 notices under Section 8 of the Survey and Boundaries Act and the collection of Rs. 8870-2-10 from the property holders involve much work and take a long time. Bellary is very big town with a population of 60,000 and the village establishment finds it difficult to cope even with the regular work. Consequently arrears under land revenue collections extending over several faslis are outstanding. If this work also is entrusted to them both the items of work will irredeemably suffer. Hence there is the need for the sanction of the special staff.
